Dentsu Announces Schedule for Report on Internal Investigation into Digital Advertising Services

Dentsu Inc. (Tokyo: 4324; ISIN: JP3551520004; President & CEO: Tadashi Ishii; Head Office: Tokyo) had previously announced on September 23 that it planned to present a report by year-end on an internal investigation into issues surrounding digital advertising services provided after November 2012 by Dentsu and some group companies in Japan.

This investigation is ongoing and Dentsu now estimates that it should be able to present this report after the end of January 2017.

The ongoing investigation has revealed no issues that Dentsu believes will materially impact the financial results of the company.
